MILLESIMA

Bringing fine wine to you®

2014 FUTURES

As always, all the Futures wines proposed by Millesima are exclusively sourced from the producing estate

2014: Three excellent reasons to buy Futures

- **Quality:** very close to the greatest 2005s with bright fruitiness, tight structure, a very fine grain, beautiful length and a very rarely aggressive finale.
- **Pleasure:** these wines are going to be very pleasant to drink 4 to 5 years from now and will even slowly get better for another 15 to 25 years. Thanks to a moderate alcoholic content (13.5 ABV as an average) and very good acidity, these wines remain extremely appealing thanks to their "freshness".
- **Price:** just midway between those of 2012 and 2011 for a much more impressive quality, they should, just like the 2008s in their time, guarantee "great deals" to the Futures buyer.

You will not be surprised to find that not only am I going to buy some for my own personal cellar, but I truly advise you to do the same.

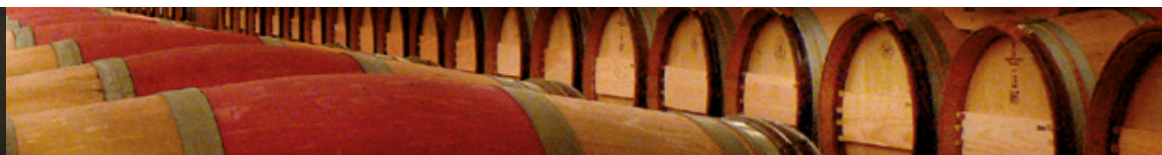

Sincerely,

Patrick Bernard, CEO of Millesima

These prices are only valid until 07.31.2015, according to availability.
